Pro Elite

USB 3.1 Gen 2 Type-C Portable SSD

The Pro Elite USB 3.1 Gen 2 Type-C Portable SSD is the next generation in mobile storage, boasting not only increased storage capacity, but also exceptional performance, with a USB 3.1 Gen 2 interface and read and write speeds up to 890MB/s and 900MB/s respectively*. It's designed to be a mobile storage solution superior to previous generations of portable SSD's, as well as traditional USB 3.0 flash drives, allowing for even faster transfer and storage of files on the go.

The Pro Elite USB 3.1 Gen 2 Type-C Portable SSD allows for expanded connectivity. Access your data anytime, anywhere, from a vast array of host devices, both USB-A and USB-C enabled. It comes with both a USB Type-C to C cable and a USB Type-C to A cable, right in the box. What's more, the included Acronis True Image Data Protection Software easily backs up data.

The Pro Elite USB 3.1 Gen 2 Type-C Portable SSD features a sleek, aluminum design that fits comfortably in the palm of your hand, making it the perfect solution for life on the go.
